Kennismakingsbingo (English)

Benodigheden

- De bingokaarten van dit bestand
- Schaar
- Kleurpotloden/stiften
- (Eventueel) lamineerhoezen

Vorbereiding

- Print dit document volledig uit. Lamineer eventueel de bingokaarten. Op deze manier kan je de kaarten hergebruiken.

Uitleg activiteit

- Geef iedere leerling een bingokaart en een potlood. Indien de bingokaart gelamineerd is, geef je de leerlingen een whiteboardstift.
- De leerlingen lopen rond in de klas of op de speelplaats.
- Een leerling spreekt een klasgenoot aan en stelt een vraag die op de bingokaart staat. Als de klasgenoot 'Ja' zegt, mag de andere dit vakje doorstrepen op de bingokaart.
- De leerling die als eerst een horizontale lijn heeft, is gewonnen.
- Daarna kan er nog verspeeld worden tot iemand een volle kaart heeft.
- Na het spel kan je hierover in gesprek gaan met de leerlingen.
